About the Speakers

Tim started with SDNP in November 2011. Prior to this he worked at Royal Borough of Windsor and Maidenhead. Tim oversees the provision of the SDNP Development Management service, Plan Policy making and Sustainable Futures. He is also responsible for the first single Local Plan across the whole of the National Parks, with Landscaping being the key to preserving the look of the 'Park' for future generations.

Chris is a Member of the Royal Town Planning Institute and has a wealth of expertise and knowledge of town planning issues across the Country. In recent years, Chris has become more involved with planning applications in SDNP specifically.

Ticket Types Available

- 2018 CE Sussex Members free (please register each name & e-mail individually)
- 2018 Guests of CE Sussex Members free (Member to register each guest's name & e-mail)
- Novus Members/Lecturers and other University Students free (please register)
- Non-Members £20 each + booking fee (please register name & e-mail individually)
- Speakers' registration by the Events Organiser

With Government new housing demands on Local Authorities, there is much pressure to build on our green open spaces. Included within this is the South Downs National Park. Tim and Chris will be discussing current applications, highlighting issues which need to be overcome in order to provide sustainable and appropriate development in our beautiful countryside. The event will start with meet and greet, registration, light refreshments, then after some brief CE Sussex announcements, the Speakers will take the platform, finishing up with questions and answers. Please do bring a guest who you think will benefit from this event.

Registration 4.30 pm**CE Monthly Theme** Sustainable**Meeting Point** Huxley Bldg Rm 300 [directions/map](#) 2nd page**CPDs by gta Civils** 1 hr for ICE, CIOB, RICS, CIBSE, RIBA & IStructE**To book your place, please visit our Eventbrite ticketing site:**<https://SDNP-development-cesussex.eventbrite.co.uk>

Meeting point Rm Huxley 300, Biosciences Building, University of Brighton,
Queensdown School Road, off A270 Lewes Road

Chair Heidi Copland, DMH Stallard

Enquiries 07810 188169

Badges DMH Stallard

The main entrance to the Biosciences building, is indicated by the **blue circle** on the plan. Please **make your way to the ground floor for registration** and to pick up your badge, before enjoying the refreshments and networking.

Access to Huxley 300 from **blue main** entrance, Queensdown School Road: enter foyer, go up steps straight ahead, turn left through doors and down large staircase. Double back on yourself and you will see double glass doors and the registration desk just beyond.

We can use the **Permit Holder Spaces** in the **South car park (Saunders Park View, BN2 4EX)** of the Watts Building or **Mithras House Car Park (Natal Road, BN2 4AT)**, courtesy of David Heightley, the Site Manager at Moulsecomb.

The Park and Ride spaces in the North Car Park of the Watts Building are no longer available due to erection of a new building! If you have any queries about parking, please contact us.

The access roads to both parking areas are shown in **purple** on the plan.

The nearest train station is Moulsecomb.
