

A Sussex Club Sponsored Event

An Introduction to Community Led Housing in Brighton & Hove

Thursday 20th June 2019 by Nicola Thomas and Martyn Holmes of BHCLT

Venue Huxley 300, University of Brighton

Event Chair Chris Self - Millwood House Developments

We are delighted to welcome Nicola Thomas and Martyn Holmes from The Community Land Trust to speak to members about Community Led Housing concepts, including Co-Housing and hearing about Martyn's own Community Self Build project that's onsite, Bunker Housing Co-op. Nicola and Martyn will present jointly about the work of Community Land Trust (CLT), what is Community Led Housing (CLH) and what it is not. They will provide examples of what the Brighton and Hove CLH programme has been doing to support local people to work together to build, convert or buy truly affordable homes that suit them and provide them with secure, sustainable housing in perpetuity.

This Members and Guests only event will start with meet and greet, registration, light refreshments, then Nicola and Martyn will address the audience with the opportunity for questions and answers afterwards.

Registration 4:30 pm

CE Theme Smart

About our speakers

Nicola Thomas—BHCLT—Land & Property Enabler

Nicola Thomas is an experienced local architect who retired as co-director of two successful architect's practices in December 2017 and has since taken up the post of Land and Property Enabler at the Brighton and Hove Community Land Trust.

Martyn Holmes—BHCLT Director

Martyn is a Brighton resident and founding member of Bunker Housing Co-op. Martyn is also an academic, Community-Led Housing (CLH) developer/enabler and housing activist.
